Happy Birthday R-Ladies Philly!

Jan 16, 2019

Live-tweet this event:
@RLadiesPhilly,
#RLadies, #rstats

Agenda for today:

- Short introduction to R-Ladies, year in review, and results from 2018 member survey
- Discuss our 2019 R-esolutions and ideas for the coming year...

1. What is R-Ladies?

Worldwide organization
...that promotes **gender diversity** in the **R community**
...via **meetups** and **mentorship**
...in a **friendly** and **safe** environment

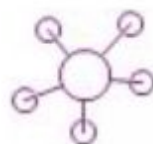

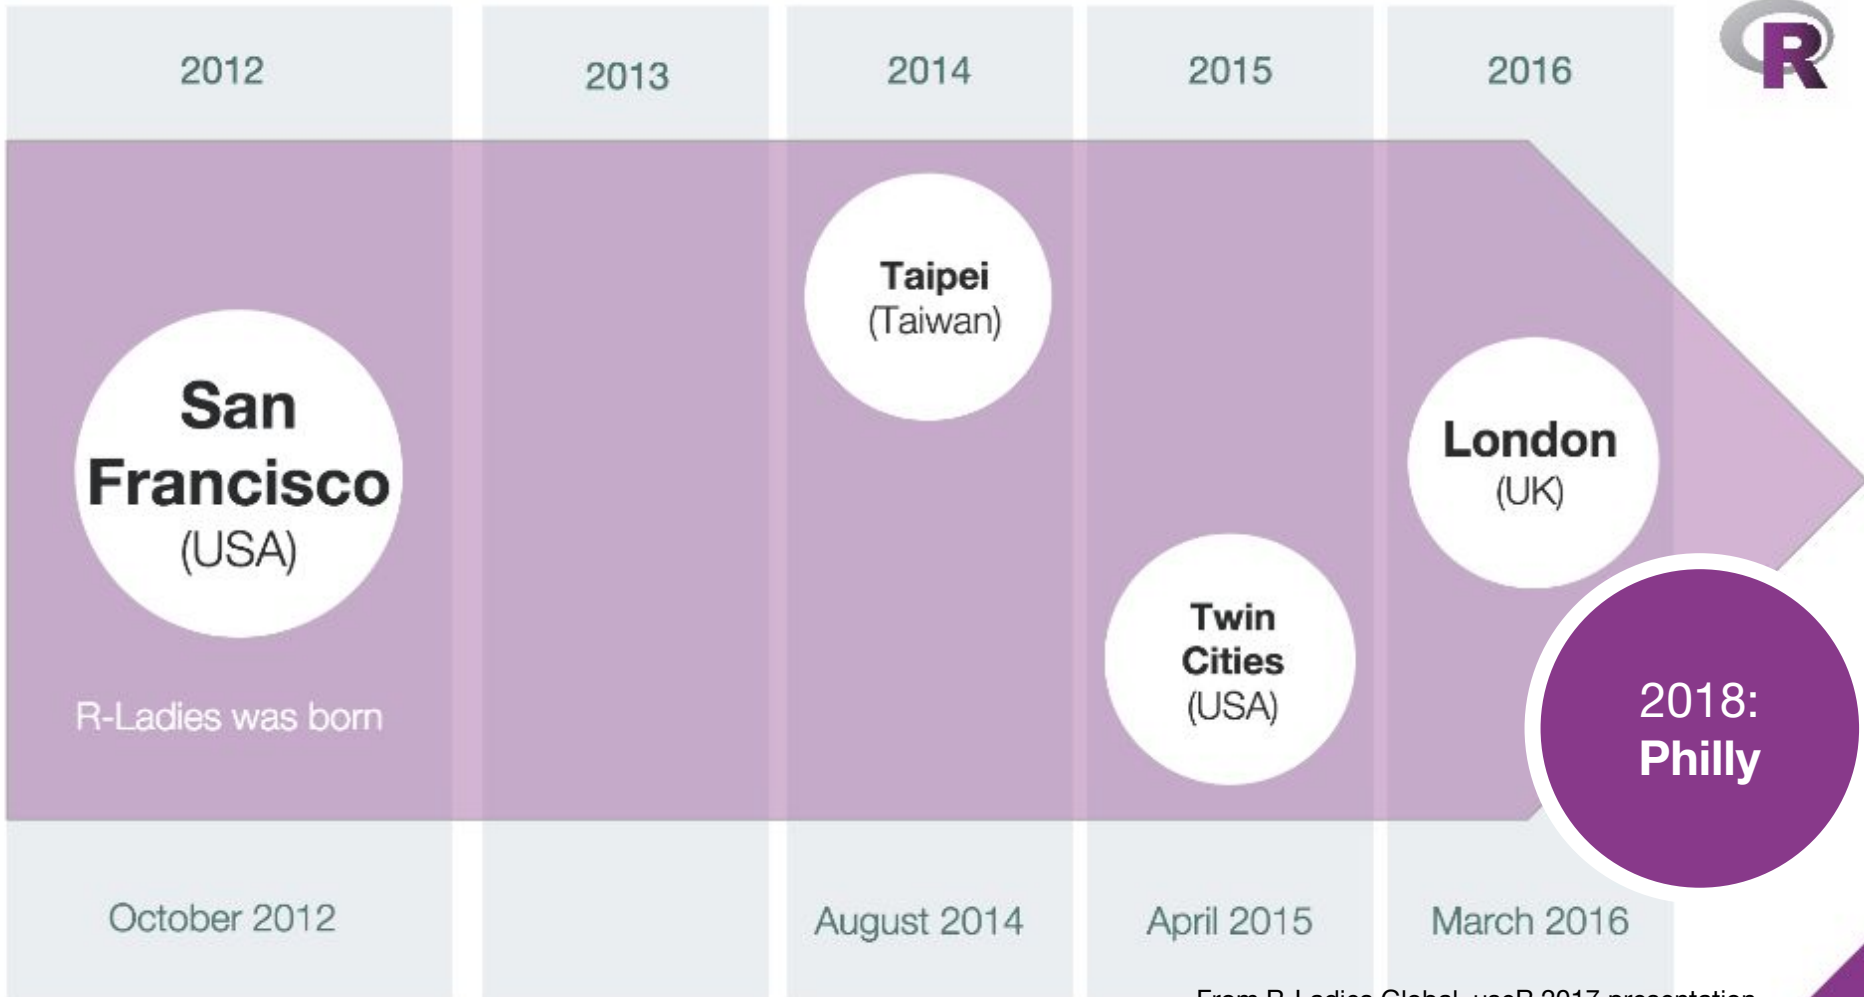

Our mission

More women/non-binary

- coders
- developers
- speakers
- leaders

More awesome people developing R packages and being part of the R community.

2. What is R-Ladies Philly?

We follow the [R-Ladies International Code of Conduct](https://github.com/rladies/starter-kit/wiki/Code-of-Conduct)

Code of Conduct

<https://github.com/rladies/starter-kit/wiki/Code-of-Conduct>

English

R-Ladies is dedicated to providing a harassment-free experience for everyone. We do not tolerate harassment of participants in any form.

This code of conduct applies to all R-Ladies spaces, including meetups, Twitter, Slack, mailing lists, both online and offline. Anyone who violates this code of conduct may be sanctioned or expelled from these spaces at the discretion of the Global Leadership Team.

Some R-Ladies spaces may have additional rules in place, which will be made clearly available to participants. Participants are responsible for knowing and abiding by these rules.

Harassment includes:

- Offensive comments related to gender, gender identity and expression, sexual orientation, disability, mental illness, neuro(a)typicality, physical appearance, body size, age, race, or religion.
- Unwelcome comments regarding a person's lifestyle choices and practices, including those related to food, health, parenting, drugs, and employment.

Sponsors + Friends (for now!)

Read about our 2018!

https://github.com/rladies/meetup-presentations_philadelphia

- We post event materials (code, links, slides) to this repo on github!

<http://rladiesphilly.org>

- We post recaps of events on the blog!

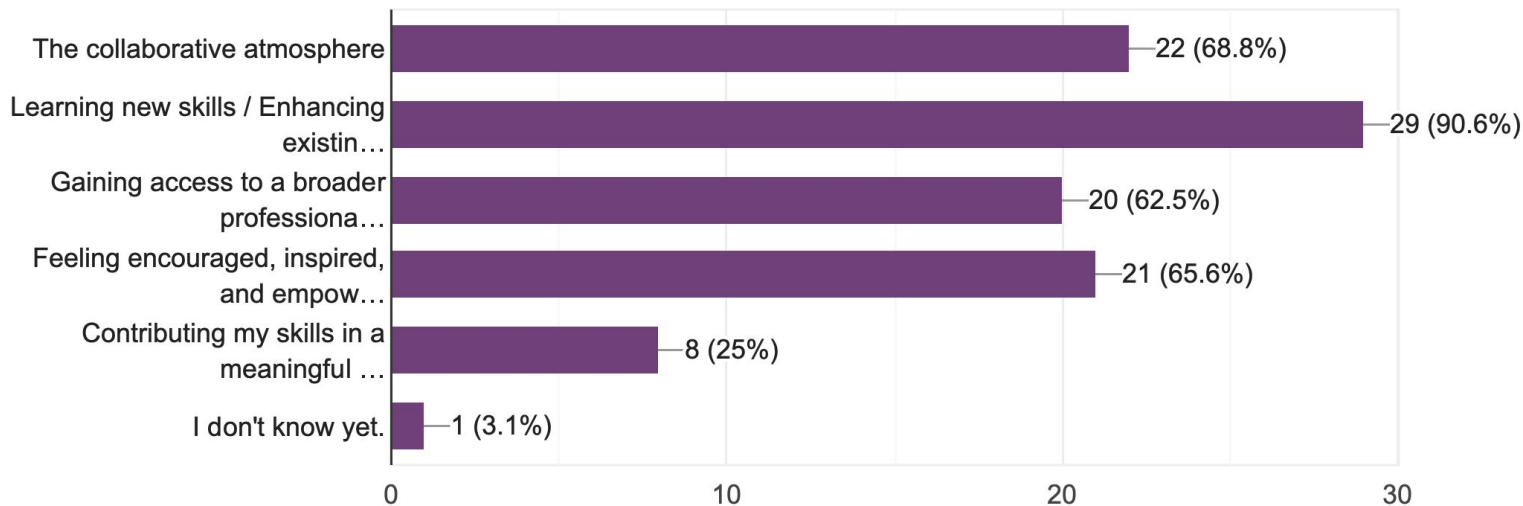

Review of 2018 events!

- December - [Introduction to Machine Learning](#)
- November - [Workshop on Spatial Data Basics](#)
- October - [Dashboards and Apps with Shiny](#)
- September - [Learn to make a website with R and blogdown!](#)
- August - [Data Cleaning in R, part 2](#)
- July - Coffee and Code project night (no materials - just working on our projects together)
- June - [Data Cleaning in R, part 1](#)
- May - [Git HappieR with GitHub](#)
- April - [Introduction to Text Mining with R](#)
- March - [Workflow Optimization with RStudio Book Club](#)
- February - [Data Visualization with ggplot2 Book Club](#)

Survey Results - What successes have you achieved with support from R-Ladies Philly?

- Improved coding skills
- Expanded my network
- Facilitated employment connections
- Learned: text analysis, made a website, maps and GIS, ML, Shiny and dashboards, graphs with ggplot2, regressions, GitHub from RStudio
- Greater sense of confidence in trying new things in R, opened eyes to additional R functionality
- Contributed to the community (helped PAWS improve their volunteer management, developed a shiny app for a codeathon)
- Made friends

Survey Results - What do you appreciate when attending R-Ladies Philly events?

Survey Results - What can we do better in 2019?

- Set learning outcomes for each workshop
- Focus on diversity of speakers
- Communicate conference opportunities
- Workshops / hands-on approach
- Discussion of tools and most important techniques/packages used in data science
- Quick hits / 5 min presentations on the things ppl are working on

Survey Results - What types of events would you be interested in attending?

1. Workshops on specific packages
2. Tutorials on advanced R topics
3. Presentations on research that uses R
4. Events with career advice
5. Community data project

Datathon for PAWS

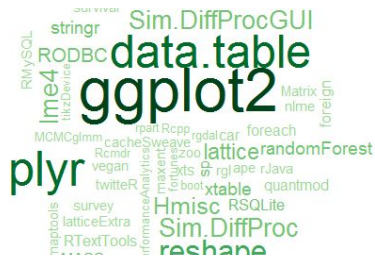

Career Panel

Workshops
(Beginner & Advanced)

Your Initiatives!

3. What can you do?

Tell your friends

Get involved!

- **Present** on a topic of your choice
- **Mentor** R-Ladies
- **Lead:**
 - a data analysis project group (during datathon or otherwise)
 - a book club
 - a project that you are passionate about
- **Write** for R-Ladies Philly blog
- **Tweet** from conferences and events that you attend
- **Share** cool events/conferences you hear about, neat tricks or general positivity and encouragement :)
- **Support** us by helping us find funding, locations, speakers, etc!

Find us online!

- **Philly Website:** <https://rladiesphilly.org>
- **Global Website:** <https://rladies.org>
 - Add yourself to the directory of R-Ladies worldwide:
<https://rladies.org/directory/>
- **Twitter:** [@RLadiesGlobal](#) / [@RLadiesPhilly](#)
- **Meetup:** <https://www.meetup.com/rladies-philly/>
- **Slack:** <https://join.slack.com/t/rladies-philly/signup>
- **Email:** philly@rladies.org

A few announcements

- Winter happy hour is posted to meetup
- February event still needs a home and a sponsor
- If you didn't take the survey... we still want to hear from you!
 - <https://goo.gl/forms/zJ9riGw5mLKailHZ2>
- Discount codes for [rev2](#) May 23-24 in NYC
 - Code: R-Ladies50 for 50% off registration
- Request for volunteers to review workshop on mapping data in R - reach out to Joy Payton - connect with her on slack or email (paytonk@email.chop.edu)
